Did You Know?

Mineral Point is tied for the fastest track in the State of Wisconsin?

The Pacing Record was set last year by Finn Jet and driver Rick Magee. Time of the mile was a blistering 1:58. The record tied He's All That who also paced in 1:58 at the Walworth County Fair in Elkhorn in 2003.

Blast from the Past Mineral Point – 10 yrs ago

The Iowa County Fair along with the Ivey Family hosted trotting race named the YANKEE PACO TROT for Free For All Trotters. The race was named after Yankee Paco, who the year before, won harness racing's most prestigious race, The Hambletonian. Yankee Paco was owned by local horseman Harry Ivey and his son Tom.

The race was won by Trottin' UpA Dream (Gabe Wand), who defeated stablemate Trottin' UpA Storm (Robert Wand) and eventual Trotter of the Year, Crafty Sailor. Incidentally, a year later, Dream broke the track record here at Mineral Point, but it only stood for two years before being broke again – by, yup, you guessed it, CRAFTY SAILOR!
