Barn Notes

Blast from the Past Monroe – 10 years ago

Racing has come a long way in the past ten years here at the Green County Fair. Ten years ago in 2001, there were 15 horses entered. Today, we will see 30 horses go postward!

The final race of the 2001 program was won by COLE HOPPER, who was trained and driven by Gary Rath, Harvard, IL. Cole Hopper went on to win over \$130,000 and take a race mark of 1:53!

For those who were in attendance back in 2001, you were treated to seeing JE'S TWO MUNCH compete. Munch was crowned Pacer of the Year that season for the Sawyer Stable of Burnett, WI.

Did You Know?

Monroe currently has the longest standing track record in the state of Wisconsin?!

The Pacing Record was set in 1944 by King's Counsel. Time of the mile was 2:02 ¼. The record is so old; it was before they started timing in 1/5 of a second! Anyone know what year they started timing in the current format??
