

Scream N Nena

Inducted 2001

Scream N Nena is a 1975 foal of Demon Van. She was a prodigy of the Marv Davis Stable of Marshfield, WI. Scream N Nena has proven to be a great asset to the Davis Stable.

She has been a proven producer time and time again. With ten registered foals, eight have gone on to take race marks and bankroll some money while racing. Nena's most proven offspring is Bold N Sassy, Wisconsin's Runner-Up Pacer of the Year in 1995. He has earned over \$82,000 thus far in his career. She also had another Runner-Up Pacer of the Year in Bold But Classy in 1996.

Nena is now a grandmother with offspring racing both on the pace and trot. Granddaughter Emily Rose was a prominent trotter for the Davis Stable in 1994. At the 1996 Wisconsin Harness Horse Association's annual meeting and banquet, Marv had donated Scream N Nena for the auction to benefit the Association. She has once again, proven her dedication to the sport.
