

## Message from the President

As the year comes to a close, we can all reflect back on the racing season through the photos and videos on our website and Facebook page. A big thank you to all the volunteers who helped make capturing the racing season possible. I'm looking forward to working with Nichole on scouring the photos and videos in preparation for the year end slide show at the annual meeting.

Unfortunately we have been saddled with yet another rain out this season – this time in Weyauwega. With 8 inches of rain-fall the week leading up to the fair, it was evident that the track wasn't going to be in racing condition. Thankfully Gary Magee was able to work with the fair board to cancel the races before the majority of us hit the road. We were lucky this year, but remember in the future we may not be. We need to give the Fairboard every opportunity to get the track ready for their "show to go on."

Horse population is always a growing concern, and I wanted to provide some stats based on 3 year history:

	2012	2013	2014
# Races Carded	87	86	99
Average Field Size	4.76	4.58	4.35

One thing to remember is that this year we picked up two extra meets (Westfield & Rice Lake) which contributed to the increase in races carded.

With that being said, I need to address a growing issue the Board has been dealing with. There seems to be an ongoing assumption in our racing community that the host tracks need to call horsemen and ask them to enter their horses. Wisconsin is set up just like every other racing state/jurisdiction. Owners and trainers can enter their horses by either calling their entries in or entering them online via <http://myaccount.ustrotting.com>.

### 2014 Committee Chairs

Annual meeting - Gabe  
Fund Raising - Becky  
Insurance - Del  
Marketing - Nichole  
Racing - Gabe  
Starting Gate - Patty  
Hall of Fame - Susan

The WCHA Board of Directors consists of nine (9) seats, three (3) of which are up for re-election every year. The dates listed above indicate the last year of Directorship (e.g. Del Moldenhauer serves through 2015 and will be up for re-election during the January 2016 Annual Meeting).

I will open up the floor for discussion on this topic at the WCHA Annual Business Meeting on January 24th to discuss this topic and the following questions:

1. Is it reasonable to expect our volunteers to spend additional time calling every trainer in our membership who hasn't entered asking them to please come and race at each meet?

2. If an individual calls after the deadline, do we take the time to rearrange the currently established races? And if so, what is the appropriate deadline for accepting entries after the box closes?

I encourage all participants as well as host tracks dealing with this issue to attend. It is my hope we can get this cleared up before the publication of the 2015 Condition Book to avoid any future confusion.

In closing, I want to give a big Congratulations to the Ernie Miller & The DeLong Family on their winners on Super Night in Chicago... Way to go!!
