Message from the President

Another successful racing season has come to a close, and it's time to start reflecting back on all the memories our WHHA family has created this year. We pulled together and overcame being dealt the blow of losing our beloved Weyauwega and on pins and needles about Elkhorn. Both meets went off without a hitch and saw many positive outcomes. Thanks to Bruce & Mary Alexander (and crew!), we are already told the plan is to keep racing in 2016. Our crowd at Elkhorn was the biggest that I can remember, so if we aren't asked back there, I will be very surprised. We cannot forget our other non-WHHA sponsored fairs who although struggled with horse shortages, were great successes. The new entry system at Viroqua proved challenging for Conrad, but I think he got two nice cards out of his efforts. Please remember to come to the annual meeting to discuss all of the above and how to make a booming 2016!

Horse population is always a growing concern, and I wanted to provide some stats based on 4 year history:

Racing Round-up 2015

	2012	2013	2014	2015
# Races Carded	87	86	99	86
# Horse Entered	414	394	431	378
Average Field Size	4.76	4.58	4.35	4.40

One thing to remember is that we lost a meet this year, so the number of races carded and horses entered should be down. However, we are at the lowest number of horses entered we've ever had. (*Note, places where 2 heats were contested, # horses and # races carded were only counted once. However if horses double entered in separate races, those were counted twice). I welcome any ideas on how to increase the above numbers for the best card possible.

Good luck to all those trying the pari-mutuel scene now that the fairs are over – we will all be watching!

Cheers,
Gabe
