

Message from the President

I hope this newsletter finds everyone well! You will notice a large listing of horses in our In Training

Report which is a great sign as we gear up for the 2015 racing season. For those who were not at the annual meeting, we have lost racing at Weyauwega this year. Unfortunately they have had a changing of the guards on their fairboard and they wish to try new things. Rest assure that Gary Magee is working hard to get it back in 2016. Please remember if you wish to contact their fairboard to let them know that you are disappointed in no racing, to do so in a polite manner. We are also down to 1 day of racing at the Elkhorn fair.

This is a blow to us as it took some hard negotiating to keep this. Luckily I was able to get a couple big sponsorships from USTA President Phil Langley and nationally prominent trainer Tony Alagna to keep the purses up there for this event. It is essential that we have a good showing this year both in the stands and in the entry box if we wish to continue racing there. Condition Books will follow shortly, and I encourage all the horsemen to flood the box. We moved the date to Saturday to ensure everyone has the opportunity to race at Elkhorn while still supporting Mineral Point's prosperous program.

Our annual meeting was the biggest in 20 years! To top it off we had our best auction ever! I was very pleased with the turnout and moreover the discussion during the WCHA Business Meeting. It has been a long time since we had such great discussion concerning the racing programs. I hope this can continue in years to come.

In closing, I wanted to give a big shout out of congratulations to Dave Magee on his retirement from driving. There will never be a truer class act horseman and we all should send him well wishes as he embarks on a new career in the Judges Stand in Indiana. Perhaps someday we can get him up in our judge's stand.

See Ya At the Races!
Gabe

April 17, 18, 19 - Fri-Sun
Alliant Energy Center, Madison, WI
Pavilion 2, Stalls 1317-1321 and 14717-1421

We need WCHA members to volunteer at our booth for the upcoming Midwest Horse Fair. You can help educate others about the breed and sport we all love. If you can assist setting up, helping in the barns, or working with the demos let us know!

We encourage you to invite others to give us a visit. There will be horses to see, people to talk to, racing videos to watch, and a great display to enjoy. Willie Winit may even come off of stall rest after a busy 2015 to make his first appearance this year! We will also have standardbred breed demonstration in the coliseum on Friday at 4:30 and Saturday at 12:00 at HW Brand Arena.

There is only ONE MONTH left until the Midwest Horse Fair so please take a look at your schedule and find a day that you can help. We look forward to seeing you at this event - it's a great way to kick off the 2015 season!

HALL-OF-FAMER HANGING UP THE LINES

By: Tom Kelley

After 40 plus years of climbing into the bike driver Dave Magee has decided to call it quits in order to pursue a new career as a steward at Hoosier Park in Anderson, Indiana.

The 61-year-old resident of Big Rock, IL has been the Chicago circuits most successful and respected reinsman throughout the last four decades winning 11,868 races and amassing more than \$101 million in purse earnings throughout his career. Those numbers earned Magee a spot in the Harness Racing Hall of Fame back in 2001.

"When I started out racing on the Wisconsin fair circuit with my family I didn't even know those types of numbers even existed," said Magee. "I started out at the

Langley names winners of USTA President's Awards

Friday, February 06, 2015 - from the USTA

Columbus, OH --- U.S. Trotting Association President Phil Langley announced Friday that Ellen Taylor, Paul Fontaine, the Standardbred Owners Association of New York,

represented by President Joe Faraldo and Executive Director Alex Dadoyan, and Yonkers Raceway, represented by Vice President and General Manager Robert Galterio, are the recipients of the annual

USTA President's Awards.

Langley will make the presentations at the USTA Board of Director's Recognition Luncheon at the Hilton Columbus at Easton (Ohio) on Sunday (March 15).

Ellen Taylor is the executive director for the Harness Horse Youth Foundation, a charitable organization dedicated to providing young people and their families educational opportunities with harness horses in order to foster the next generation of participants and fans. The Foundation has been making a difference in young people's lives since 1976, and its programs include interactive learning experiences with these versatile animals, scholarship programs, and creation and distribution of educational ma-

"One thing we all agree on is the need to get young people involved in harness racing," said Langley in announcing the awards. "No one is more active in this pursuit than Ellen Taylor. Every summer she travels thousands of miles conducting

bottom and just learned about the business every step of the way thanks to my family and friends in the business. Everything I have from all of this is honestly just an unexpected reward."

Always a mid-western boy at heart Magee tried his hand on the East coast early in his career but quickly decided to return to his roots.

"Probably 30 years ago or so I figured I would give the tracks out East a shot because that seemed to be where all the big money and all the great horses were at," explained Magee. "After just a couple of weeks there I just didn't feel at home out there. That's when I realized I wanted to get back my roots here and I've been at it ever since."

Taking down driving titles at Balmoral Park, Maywood Park, Hawthorne and the former Sportsman's Park and Quad City Downs throughout the years the "king" of the Illinois circuit was still able to make a name for himself on the national scene. He guided the great Anniecrombie to a 1988 Breeders Crown championship and also captured the 1984 Canadian Pacing Championship with Mr. Dalrae, a horse Magee would also guide to victory in the US Pacing Championship. Other top horses who Magee sat behind for major stakes victories included Odds Against, Keystone Raider, Continental Victory, Staying Together and Color Me Best.

"I have been blessed throughout my career to sit behind some unbelievable horses and to drive for some great trainers," said the always humble Magee. "Bob McIntosh has given me many great chances to drive World Champions for him and to travel across the country with them during their careers."

In typical Magee fashion though it is a nondescript Illinois bred who ranks at the top of his list among his favorite horses.

"My favorite horse and maybe the biggest thrill of my career was driving MiT Model to victory in the Filly Orange & Blue in 1982. She was born right in our backyard and she didn't have very much natural ability," he explained. "But she made up for all that with a huge heart and she wound up winning that race in just her second lifetime start. I never expected her to do that heading into that race."

Magee also put himself in the spotlight on a global level when he captured the 1995 World Driving Championship, knocking off fellow competitors from Canada, Australia, France, Sweden, Italy and Germany among others. He also led the country in wins in 1994, piloting 630 horses to victory that season.

One stat that Magee is particularly proud of shows just how consistent and durable he has been throughout the years. Heading into the 2015 season Dave had posted an amazing 36 straight

years with more than \$1 million in purse earnings and 38 straight seasons with 100 wins or more.

"I guess that shows I've been here a lot," he chuckled. "Really it's been tougher on my wife Kathy and our kids than it has been on me. I've sacrificed going to events, parties, weddings and that type of things on week-ends but I always felt that I had an obligation to be at the track driving for the people that wanted me to drive their horses. As a family we didn't get to go on a lot of vacations but we've made the best of it by turning weeks like at the State Fair in Springfield into family trips. They've all been so understanding about things like that and I cannot thank them enough."

As Dave heads into his newest career endeavor we wish him the best of luck and know that he'll be great at it. And he'll make it look just as easy and effortless as he did while guiding those 11,868 horses to the winner's circle!

Magee will be honored in a winner's circle ceremony after Saturday's fifth race at Balmoral Park.

Wisconsin Harness Horse Association Board of Director's Meeting November 23, 2014 Howard Johnson Hotel

Present: Gabe Wand, Susan Schroeder, Patty Strand, Sara Weaver, Del Moldenhauer, Jay DeLong, Becky Swinehart, Jeanne Marquis

Hall of Fame Members: George Woodbridge, Bob Yohn, Wayne Moldenhauer

Absent: Nichole Glynn

Board meeting began at 10:30 with a review of the minutes from the last meeting, October 11, 2014. Susan moved that they be approved as written. Del seconded. All approved.

Treasurer's Report. Sara reported that there were few changes in the account since October. She had moved \$2600 into checking to cover the starting gate repairs. Mike Titus was happy to get his \$500. It was suggested that she move some money from the checking into the smaller money market account as we should have few expenses until the Annual Meeting. Susan moved that we approve this report and Del seconded. All approved. See attached.

Annual Meeting

Schedule of Events. Friday night schedule will be the same as previous year's, with films of the summer's racing and treats brought by attendees. Jay will bring panels and Hall of Fame collection to be set up that night. More panels will be needed as we have more to display. Saturday will begin with registration at 9:00 and a speaker yet to be found.

Becky will approach a new vet at Elkhorn with some race track experience and who seems to be up on current research. WHHA meeting will be from 12:30 to 2:30 followed by the USTA District 4-B meeting with Bob and USTA County Fair update with Jessica Schroeder. Tony Alagna, trainer of 2 time Horse of the Year Captaintreacherous, will be our speaker. Dinner will follow cocktails. Tony Alagna will address the dinner crowd for a few minutes as there will be some who were not able to hear him in the afternoon. A

streamlined awards ceremony will warm up the big spenders for the auction.

Awards: Susan has agreed to order the awards from Geiger's and Mrs. Del will pick them up in Waukesha. Gabe has to study stats to see about Firsts, Season's Leaders etc. Susan will prepare certificates. Service Awards will go to TJ Barnes, Sally and Russ Barrington, Dave and Tammy Hofacker, and the Richland Center race day support crew. John DeLong has been nominated for the Laird Memorial for Excellence. Gabe has chosen Scott Douglas for Horseperson of the Year.

Auction. Becky will send out letters to regular contributors this week. Susan has 30 of Ellen Harvey's new book Old Standardbred Friends. We will use a few of these for the auction and sell some for \$30, \$20 for which will go back to Ellen. We need a large picture of Captaintreacherous. A harness from Extreme, Jac's hoppers, Sara's surprise box, bike seat from Dennis Byrd's son and wheels from Tony Alagna are all on our wish list. Gabe has another bronze statue from Big D's and some promotional stuff from Scio-to Downs. Sara will talk to Mark Prevost about the Featherweight harness he has contributed in remembrance of his dad. He originally wanted to raffle it off during the racing season but we have found it too difficult to do and seek an alternative option from Mark. We are all sent out to gather stuff.

Duties: Nichole will do the year end video presentation. Jay and Del will rev up the 50/50 ticket buying, Nichole, Sara, and Patty will clerk. Others will contribute in usual roles.

Calendar Raffle Gabe will check on having the calendar raffle ready for the meeting. Hopefully, by having them available, people will be willing to sell them during the spring.

After a careful tasting of turkey, pork, garlic mashed potatoes, and green beans, it was decided that the hotel would feed us satisfactorily. Menu for the banquet was chosen accordingly.

Racing Race dates for 2015 are

in the process of formalizing. Rice Lake second meet will be July 31st. Westfield and Weyauwega will give us dates. Labor Day is Sept. 7th so we have an extra weekend in August. Morrison will be Aug 21st and 22nd. Viroqua may go to one day but we have no word yet. Elkhorn has had changes to the Fair Board which do not bode well for racing. Gabe will try to submit an offer to them which they could see as economically reasonable. Perhaps \$7500 for us to put on races on Sunday, traditionally the best day for most bodies in the grandstand would tempt them. Friday would be the best day for horsemen but doesn't get the crowd which we need to prove our value. They did no promotion of the races last year.

New Business. Del received one application for scholarship. Alisha Olson has helped with programs and Pick a Winner. She doesn't know where she will go to school. Del will send us each her application and the guidelines.

Fair Board Convention will be held in the Dells the first weekend in January. We agreed that the exposure is important so Sara will set up on Sunday and be there on Tuesday. Jeanne will go on Monday.

Hall of Fame Meeting

One Bad Hombre was nominated by Gabe because he was the best in the state in his time. Gabe presented details of his success. Mary Lou Wesnick nominated her father, Howard Koch, who trained and raced from the middle of the state in the middle of the 1900's. George Woodbridge and Del Moldenhauer nominated Bob and Carol Yohn which prompted a discussion of our guidelines. After checking to see that a precedent had already been broken with other inductees, we decided to make a formal change in the guidelines. Del made a motion that the guidelines for the Immortal Category be changed from 5 years to 2 years, effective immediately. Sara seconded. All approved. We are charged to send our votes to Kerry Long this week.

At 1:30, Del made a motion that we adjourn. Becky seconded. We adjourned.
