Lipstickandshadow with her 2-day-old foal, lost in the barn fire on March 16

Dan & Jeri Roland Barn Fire

Tara Spach—Iowa Harness Horse Association Social Media Coordinator

During the early hours on March 16, 2017, Dan and Jeri Roland were awakened by the sirens of the fire department responding to the fire that totally destroyed their barn, killing 9 of the 10 horses that were inside. Making this loss even worse, a mare with a 2 day old colt perished in the horrendous fire, plus two pregnant mares that were due to foal that week.

We in the harness racing community are heartbroken. While we know that we can not replace the horses that were lost, we hope to be able to help with the expenses, known and unknown, that the Roland's are going to encounter.

“Dan and Jeri Roland Barn Fire”, a GoFundMe account has been established. All donations will be going straight to Dan’s family. This campaign is endorsed by the harness racing organizations that the Roland's belong to: IaHHA (Iowa) and MHRI (Minnesota). If you have any questions, please do not hesitate to contact us at the following:

*Tara Spach, Social Media Coordinator for IaHHA:
Facebook: Iowa Harness Horsemen’s Association

*Jessica Johnson: gotta45@gmail.com

*Mikaela Del Giudice: mdelgiudice2012@hotmail.com

Visit the IaHHA Facebook page to read touching tributes written by Dan and Jeri Roland about each horse lost in the fire.
