Race Day Insurance Reminder

All Wisconsin race meets carry on-track driver insurance. This policy covers USTA licensed drivers and trainers. It does NOT cover any person warming horses up that is not licensed by the USTA.

Message from the President

I must start off by giving a big THANK YOU to Bruce & Mary Alexander for all their hard work they put into the racing program that was scheduled for Westfield. It's a heart-breaker to get rained out our first year back, but the fair board was very accommodating and understanding – they have already said we will try again next year! Also, I must com-

mend Phil Krogman for his efforts in promoting the sport there and calling upon locals to spearhead the charge to bring racing back.

Labor Day weekend will be another big weekend for racing. Two days at Elkhorn, one day at Mineral Point, and looking to the northwest, Finals night at Running Aces. Both Elkhorn and Mineral Point have written dashes so horses can be double/triple entered over the 3 days to help fill the box. There's a lot of money to be made that weekend, so enter often and GOOOOOOOOD LUCK!

Don't forget to check out the races on YouTube and the online photo albums on our website and Facebook page in the meantime. See everyone at a Weyauwega if not before!

You're invited to the

24th Annual WHAH Picnic

following the races at
Weyauwega on Aug 24.

**Please bring a
dish to pass!**

John De Long gets 1,000th driving win

Crete, IL --- After posting win No. 999 in the final race on Saturday night at Balmoral Park, it did not take John De Long very long to reach the coveted 1,000 victory plateau as he guided Little Warriorette to victory in Sunday's (April 6) third race, which was the first drive of the night for the 25-year-old resident of Clinton, Wis.

Carving out a perfect two-hole trip with the Erin Elliott trained 4-year-old, De Long roused a :28.3 final quarter from Little Warriorette as the mare went on to score in 1:56.3, knocking more than seven seconds off her previous career

best.

De Long, who enjoyed his biggest year to date in 2013 when he posted 283 wins, 239 seconds and 235 thirds in 1,789 starts with purse earnings of more than \$1.9 million and a UDR of .276 is off to another

fast start this season with a .331 UDR as he continues to rise through the driving ranks on the Chicago circuit.

The son of longtime horseman Jay De Long has been around horses his entire life, working around the family's stable

with younger brothers Austin, Ben and Eric for as long as he can remember. His first victory came in thrilling fashion as he guided West Bound Train to a nose victory in a track record time at the Keokuk County

John De Long guided Little Warriorette to victory in Sunday's third race, giving the 25-year-old reinsman his 1,000th career victory.

Fair at the age of 16.

After reaching the coveted milestone on Sunday night, De Long took a moment to reflect on how far things have come in such a short time.

"Back when I won my first race I thought this would be a great thing to do as a hobby," said a beaming De Long. "But then it just gets in your blood and now I couldn't see myself doing anything but this."

Courteous as always and quick with a smile or a greeting, De Long in typical fashion wanted to be sure everyone else was acknowledged after Sunday's big night.

"I can't thank my family and friends enough for all their support throughout the years," said De Long, who was joined by a large contingent in the winner's circle.

DeLong celebrates in a win picture with supportive family and friends.
